

Voted #1 for
'The Best Groom's Fashion'

24 February 2009

Hi Micky and the team at Ideal Bride

I would just like to congratulate you on a wonderful and extremely successful Expo at the weekend.

Not only did FormalWear Express book appointments throughout the Expo weekend, our phones were ringing hot from the Monday morning from new clients we met over the weekend.

We even had clients come back to the Expo for a second day to have another look around. The Expo was a fantastic success for us. The parade was a hit with suppliers and clients alike, offering something a little extra and different for our clientele.

Can't wait to see what you have planned for your next Expo. Book us in!!
